To Have Two New Ministers.

Rev. E. P. Howell, of Mercersburg, N. C., who for some time has had under consideration the call extended him by the congregation of Clifton Street Baptist Church, has accepted and will take up his duties on October 1st.

Mr. Howell will preach at Clifton Street on the first Sunday in August, and at that time will attend the Baptist Association as a representative of the church.

It has been decided to erect a parsonage next to the house of worship, and plans have already been drawn for the house. Work will be commenced immediately.

By a unanimous vote the congregation of Cowardin Avenue Christian Church has extended to Rev. A. J. Renforth, a call to that pastorate to succeed Rev. J. B. Woodward, who resigned a week ago.

Mr. Renforth has been in Hampton for four years, and was exceedingly popular there. He is regarded as an excellent preacher. He will take up his duties on September 1st.

Bad Symptoms.

The woman who has periodic headache, backache, and imaginary dark spots or specks floating or swimming before her eyes, has gnawing distress or heavy full feeling in stomach, faint spells, dragging down feeling in lower abdominal or pelvic region, easily startled or excited, irregular or painful periods, with or without pelvic catarrh, suffering from nervousness and derangement of the system, and who is unable to get any sleep, is likely to be present in any case at one time.

Nervous or badly treated and such cases often run into maladies which demand the surgeon's knife if they do not result fatally.

The extent has such a long and numerous record of cures in such cases as Dr. Pierce's Favorite Prescription. No medicine has such a strong purgative effect, and such a powerful number of ordinary non-professional testimonials. The very best ingredients known to medical science for the cure of women's peculiar ailments are in its composition. No alcohol, harmful, or habit-forming drug is to be found in the list of its ingredients printed on each bottle wrapper, and on each box.

In any condition of the female system, Dr. Pierce's Favorite Prescription can do only good—never harm. Its whole effect is to strengthen, invigorate and regulate the whole female system, and especially the pelvic organs. When these are deranged in function or affected by disease, the stomach and other organs of digestion become sympathetically deranged, the nerves are weakened, and a long list of bad, unpleasant symptoms follow. Too much must not be expected of this "Favorite Prescription." It will not perform miracles; will not cure tumors or malignant disease, and the surgeon's knife may be avoided.

Women suffering from diseases of long standing, are invited to consult Doctor Pierce by letter, free. All correspondence should be addressed to Dr. J. C. Pierce, Buffalo, N. Y.

Dr. Pierce's Medical Adviser (1000 pages) is sent free to any lady who will send stamps for paper-covered, or 21 stamp for cloth-bound copy. Address as above.
